

Meet Nitoo and his sister Nita.

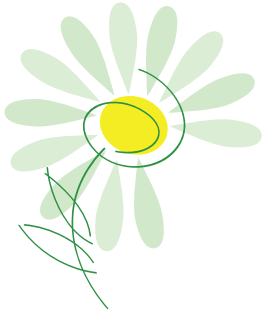

Nitoo loves to play with his toys. Nita likes to read books.

One day they were eating mangoes.

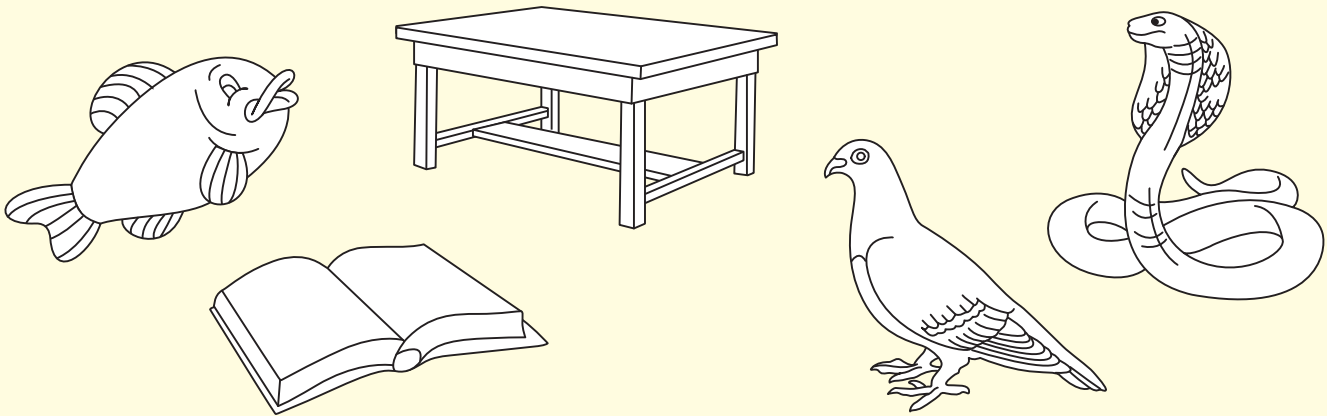

# Living and Non-living Things

## BEFORE WE START, LET'S CHECK

### What you already know

Colour the things that move, using a green crayon .

And the things that do not move, using a red crayon .

### What you will know

What types of things do we have around us?

How are they different?

Who makes these things?

We see many things around us.

We see men, women and children.

We see plants and animals.

We see chairs, tables, cars and many other things.

## Write answers

Write any four things that you see around you.

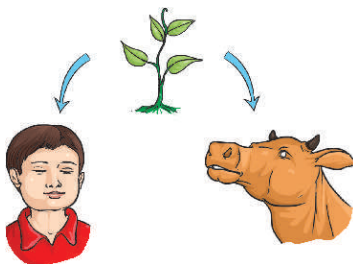

\_\_\_\_\_

## LIVING THINGS

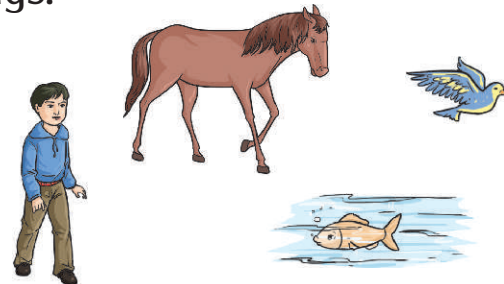

Some things have life.

They are called **living** things.

Plants, animals and **humans** are living things.

Living things breathe.

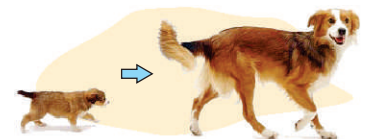

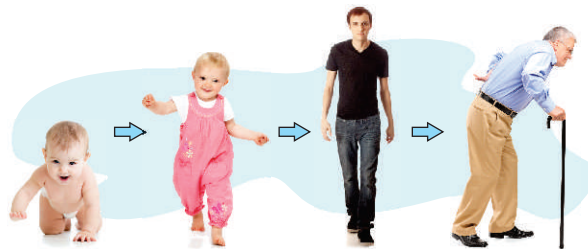

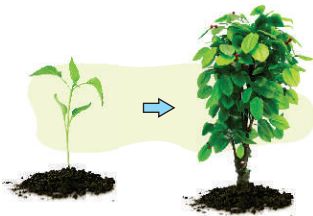

Living things move on their own.

## BRAINSTORM

An aeroplane flies in the sky. Is it a living thing?

Living things grow.

Living things feel.

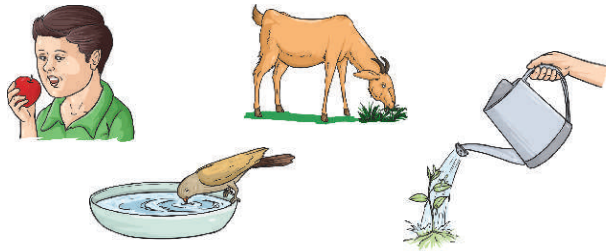

## FIND OUT

There is a plant called 'touch-me-not'. Go near it with your teacher. Touch its leaves gently. What happens?

Living things eat and drink.

Living things give birth to babies.

### Write answers

Match the animals with their babies.

### KNOW A FACT

The baby of a frog looks quite different.  
It is called a tadpole.

## NON-LIVING THINGS

Some things do not have life.

They are called **non-living** things.

Non-living things do not breathe.

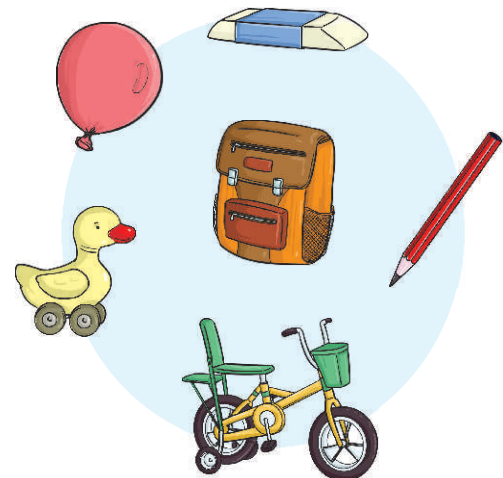

Non-living things do not move on their own.

Non-living things do not grow.

Non-living things do not feel.

Non-living things do not eat and drink.

Non-living things do not make babies.

some non-living things

## DISCUSS WITH FRIENDS

What would happen if all the things around us were living?

### Write answers

Look at the given figure. Write 'L' for the living things and 'N' for the non-living things.

## NATURAL AND MAN-MADE THINGS

Some things like plants, the sun, clouds, rocks and water exist in the nature.

They are not made by man.

They are called **natural things**.

rocks

clouds

plant

sun

Some things like books, pencils, tables, cars and clothes are made by man.

They are called **man-made things**.

book

table

pencil

clothes

## Words to Remember

living	– having life
non-living	– not having life
humans	– men, women and children
natural	– not made by man

## Points to Recall

- \* There are many things around us.
- \* Some things have life. They are called living things.
- \* Some things do not have life. They are called non-living things.
- \* Living things breathe, grow, feel, eat, drink, give birth to babies and move on their own.
- \* Non-living things do not show any quality of the living things.
- \* All things are either natural or man-made.

## Exercises

### A. Tick (✓) the correct option.

1. The living thing among the following is

☐

☐

☐

2. The non-living thing among the following is

☐

☐

☐

3. The natural thing among the following is

☐

☐

☐

4. The man-made thing among the following is

☐

☐

☐

**B. Match the following.**

1. chair

3. frog

5. sun

7. cloud

9. table

Natural Thing

Man-made Thing

2. touch-me-not plant

4. aeroplane

6. tadpole

8. water

10. book

**C. Fill in each blank with the correct word.**

1. We see \_\_\_\_\_ things around us. (*many / few*)

2. Plants, animals and \_\_\_\_\_ are living things. (*clouds / humans*)

4. The baby of a lion is called a \_\_\_\_\_. (*calf / cub*)

5. Man-made things are made by \_\_\_\_\_. (*nature / man*)

**D. Look at the following pictures and names. Write the names in the correct boxes below.**

peacock

bag

rose

moon

goat

shoes

toy

boy

**Living things**

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

**Non-living things**

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

## BRAINSTORM

Think and write six man-made things which are not mentioned in the chapter.

1. \_\_\_\_\_

2. \_\_\_\_\_

3. \_\_\_\_\_

4. \_\_\_\_\_

5. \_\_\_\_\_

6. \_\_\_\_\_

## Creative Skills

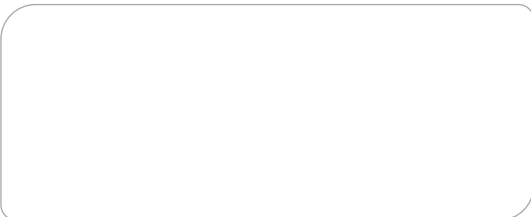

**A. Draw and colour two living things and two non-living things.**

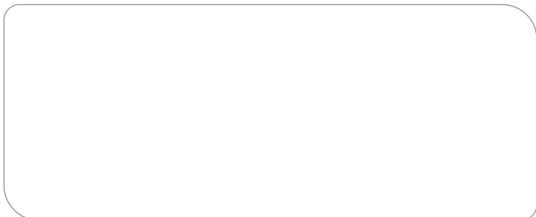

### Living things

1. 

2. 

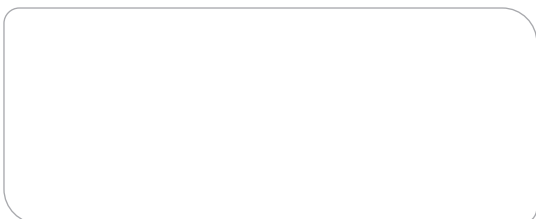

### Non-living things

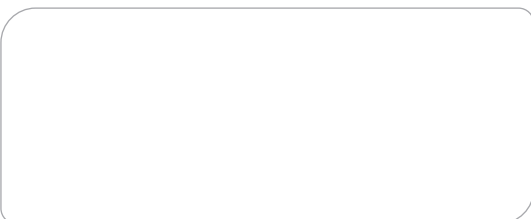

1. 

2. 

**B. Collect and paste pictures of four man-made things in the boxes below.**

1. 

2. 

3. 

4.
